

WEI Industries

WEI Industries Capabilities:

- **Distributor**
High and Low Voltage Electrical/Electronic Materials, Equipment, Wires, and Cables, Pipes, and Valves, Solar Panel & Components, Pre-Fab Steel Buildings
- **Services**
Engineering, Construction, Installation, and Management
- **Green Power - Energy Management**
Consulting, Solar Network Design & Installation, Conservation, Audit, Analysis, and Data Verification

Company Information:

Pasadena, CA

Headquarters

Address: 609 E. Walnut Street, Pasadena, CA 91101

Primary Contact: Benjamin Walker, Sr., President

Office: 626-396-8200

Fax: 626-396-1589
